

Knightsridge Primary School

Primary 4b Newsletter – Term 1

News

We have had a flying start to Primary 4b. It's been great to see our friends and learn together. We have been demonstrating our school values of **Kindness, Perseverance** and **Success** and our vision which is **Be The Best You Can Be**. We hope you enjoyed our Iceberg Exhibition online as part of our Community Building weeks. Pupils in Primary 4b certainly demonstrated a very good understanding of the messages of the story and how they relate to our school and wider community. We have been making the most of the good weather during Outdoor learning and making links across the curriculum. We have been lucky to have enjoyed teaching from other members of staff - Mrs Piper teaching Art, Mrs MacDonald in Literacy and Mrs Ramsay in French. Thank you to parents and carers for all the help and support you have given your children in Term 1. The children have displayed an amazing amount of confidence and resilience in difficult circumstances and have been a pleasure to teach.

What You

Need & When...

Please remember to bring a water bottle and appropriate clothing for the colder weather.

PE – Please come to school wearing your PE kit on Tuesday.

Please come to school with a jumper and jacket for the colder weather.

Our Learning Summary

Literacy

Primary 4b have enjoyed learning how to write descriptions of ourselves and other people. We have been practising handwriting to ensure Perfect Presentation and we have been learning different spelling patterns. The class have been learning our school listening rules about what makes a quality audience member.

Numeracy & Maths

The class have been revising different mathematical operations and strategies. We have been focusing on multiplication and addition. The class have been problem solving and number talks to compliment this learning.

Health & Wellbeing

During our community building weeks Primary 4b spent time getting to know our new members of the class and establishing rules and routine. The pupils created our class charter which highlighted the rights and responsibilities we enjoy.

PE- We have been participating in fitness circuit activities to help improve our stamina.

Outdoor Learning- We have been learning about the nature that surrounds our school.

Primary 4b have been learning about emotions and how to discuss feelings. We have been learning regulation strategies to help us manage different emotions and situations. The class have been making links to the health and wellbeing indicators and how we demonstrate them in our lives.

Term 1: Important Dates

October

- ✓ 5th of October - Money Week.
- ✓ 6th and 7th October – Parent Consultations
- ✓ 9th October – October holiday begins.
- ✓ 21st October – Pupils return to school.

Home Help

Home Learning will be given out via Teams after the October Holiday.

Please take time to practise reading daily with your child to support their fluency and expression.

Take opportunities to recognise key times throughout the day at home and practise times tables.

Communication

Please follow us on Twitter:
Primary 4b @kpsmrlewis

We also share our learning on the KPS Blog.
