

Book Week Scotland in Primary 7

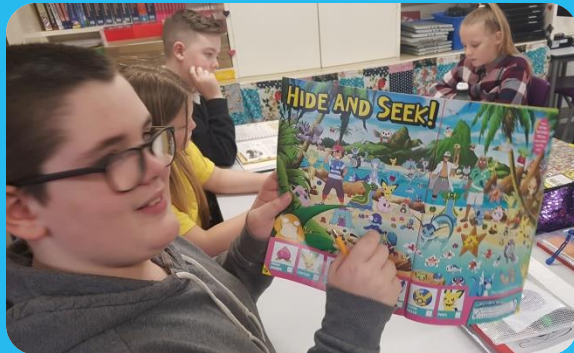

MY FAVOURITE BOOK

• My favourite book is The Suitcase Kid by Jacqueline Wilson because I can relate it to my life . It is about a girl whose Mum and Dad split up and she must decide who to live with, but she does not like her Mother's boyfriend and does not like her Dad's girlfriend.

We really enjoyed our reading time this week to celebrate Book Week, reviewed & shared our favourite books and magazines with each other. Olivia finished Harry Potter!!! We read that one of the characters in Wonder was a bully and discussed this in depth. We put our book in the window to share it with others.
