

Primary 4B Home Learning

Please complete all tasks marked with a star. Select one other task from each of the remaining boxes. If possible please email Mr. Lewis your work or post it on teams.

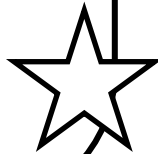

Literacy

Spend time reading a book each day.

Create a Christmas themed short story.

Create a Christmas word search

Maths and Numeracy

Practise your times tables on the top marks website.

Create a Christmas card design using 2D and 3D shapes.

Create a Christmas word problem.

Health and Wellbeing

Find a new way to exercise at home.

Write a list of vegetables and fruit people often eat at Christmas.

Write down different games you could play with family or friends over Christmas.

Digital Learning

Play Greg Tang maths.

Go online and research how people from different countries celebrate Christmas.

Creativity

Design a new decoration for a Christmas tree.

Create your own design for a Christmas card.

Skills for Learning, Life and Work

Think about what jobs people might have to work on Christmas Day and why they would still have to work on Christmas Day.

Find a delicious Christmas recipe and if possible make it or write down the ingredients.
