Primary 4b Newsletter – Term 1

News

What a wonderful start we have had to Primary 4b! The children in Primary 4b have settled in so well to the Middle Area and are having so much fun learning in their classroom. We are aware of the rules and routines we need to follow in class and the reasons why these rules are important. We work hard every day to demonstrate our school values of Kindness, Perseverance and Success and our vision to Be the Best We Can Be. Primary 4b have worked with different teachers across the areas of the curriculum: Mrs Chen for Numeracy, Mrs McDonald for Literacy and Mrs Donald for RME. Primary 4b are looking forward to the term ahead and all the exciting learning that is in store for us. I am extremely proud of how hard-working, resilient and kind the children in Primary 4b are and of the overwhelmingly positive start they have had to their fourth year in school.

What You

Need & When...

Bring a water bottle daily and take it home to be washed every night.

As the weather gets colder please wear appropriate warm clothing.

Please remember to come to school wearing your PE Kit on our PE day.

Our Learning Summary

Literacy – In Literacy we are reading, writing and listening and talking in all subject areas.

Reading – We are reading short texts as we develop our reading strategies.

Writing – This term we are writing recounts and ensuring we can work towards our genre and core targets. We will be working on retelling and evaluating our experiences.

Listening & Talking – We are applying our listening rules in different contexts.

Numeracy & Maths – This term we will be developing our number knowledge. We have been using word problems as we make links to real life contexts.

- **Place Value**
- **Number Bonds**
- **Money**

Health & Wellbeing – This term we have developed our Emotional Literacy. We can discuss our emotions appropriately.

- **PE** – We will be learning to play different team games and developing our sportsmanship.

IDL Our interdisciplinary learning topic this term is The Magic Castle. We are looking forward to learning all about castles and using this knowledge across all areas of the curriculum.
