## Primary 7/6 Newsletter – Term 1

### News

We have all happily settled into this new school session renewing and making new friendships. We are aware of the rules and routines we need to follow in class and around the school and the reasons why these rules are important. We work hard every day to demonstrate our school values of **Kindness**, **Perseverance** and **Success** and our vision to **Be the Best We Can Be**. We are looking forward to lots of new and exciting learning opportunities this term.

### What You Need & When

- Please provide your child with a bottle of water to drink each day in class. This can be taken home daily for cleaning.
