The Sunshine Class Newsletter – Term 1

News

Welcome to the Sunshine Class! We have settled really well into our class and we have been very busy with lots of learning. We are learning new routines and getting to know our new friends. Every day we have been demonstrating our school values of Kindness, Perseverance and Success in the classroom and in the playground. We have been reading at Rain Before Rainbows which is a lovely book about Hope. We have been using our Reciprocal Reading strategies to Predict, Clarify, Question and Summarise the story along with focusing on our hopes for the new session. We look forward to exploring different areas of the curriculum and making links in our learning as we continue to Be The Best We Can Be.

What You

Need & When...

Our Learning Summary

Literacy

In Literacy, we are reading a range of different texts and using our reading strategies.

In writing, we are writing recounts about things we have done in school. We are also learning new spelling patterns and transferring our spelling words into our writing.

In Listening and Talking, we are learning to listen to instructions and we are learning our Listening rules.

Numeracy & Maths

In Numeracy, we are learning strategies to use which will help with addition, subtraction, multiplication and division. This term we will be learning about place value and money

Health & Wellbeing

Health & Wellbeing – This term we will be developing our Emotional Literacy, this will help us discuss our emotions appropriately and allow us to share our feelings.

In P.E we are increasing our fitness and stamina by completing circuits.

Outdoor Learning – We will focus on eco systems and food chains using our fabulous school grounds as inspiration.
