## Primary 4a Newsletter – *Term 3*

### News

A warm welcome back and all the best for 2022! We have a very exciting term ahead of us as we explore Scottish Culture. We will be developing our awareness of staying safe and responsible online and taking part in Fairtrade Fortnight to support farmers around the world. In February we will have the opportunity to develop our Skills for Life through a range of activities such as communication, creativity, critical thinking skills as well as many more. At Knightsridge Primary School we will be sharing our love of books during March as we celebrate World Book Day and enjoy a variety of book inspired events throughout our KPS Book Week. We look forward to discussing all of our achievements with you at our Parent Consultations at the end of term.
