

Maths Week Scotland in Primary 3/2

Monday 25th September 2023

1 2
3 4
5 6
7 8
9 10

$1 + 10 + 1 + 10 + 1 = 23$

We read One Is a Snail, Ten Is a Crab and counted by feet!

We made place value creations, counting in tens and ones to find their total.

$1 + 1 + 1 + 1 + 1 = 5$

$2 + 2 + 2 + 2 + 2 = 10$

$3 + 3 + 3 + 3 + 3 = 15$

$4 + 4 + 4 + 4 + 4 = 20$

$5 + 5 + 5 + 5 + 5 = 25$

$6 + 6 + 6 + 6 + 6 = 30$

$7 + 7 + 7 + 7 + 7 = 35$

$8 + 8 + 8 + 8 + 8 = 40$

$9 + 9 + 9 + 9 + 9 = 45$

$10 + 10 + 10 + 10 + 10 = 50$

Can you crack the code to read and write words?

sh ch l o p f summer

1. ● ● ● → sh i p

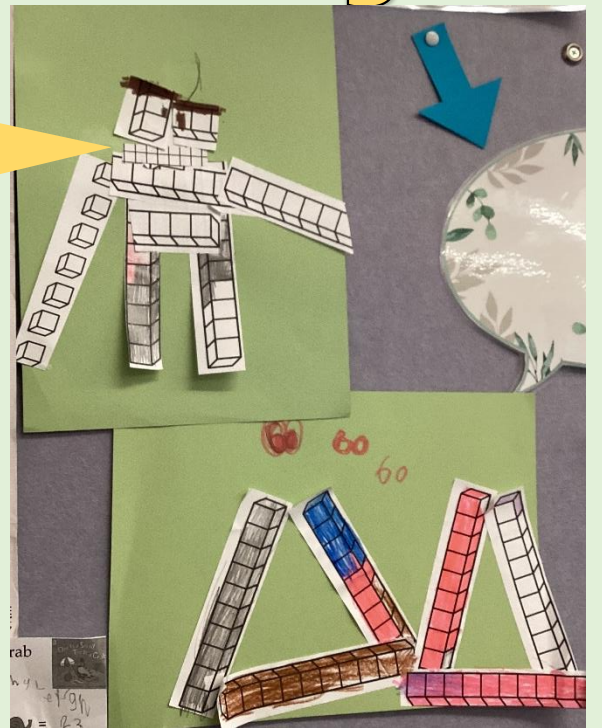

2. ● ● ● → ch o p

3. ● ● ● → f l sh

4. ● ● ● → Sh o p

5. ● ● ● → ch l p

6. ● ● ● → p o sh

Name: _____

One is a Snail Ten is a Crab

Draw it

My number: 17

Number Sentence: $10 + 1 + 6 = 17$

How do you feel about your work today?

😊 ☹️ 😞

We even applied our problem solving skills to our Literacy work to crack a code!
