

Primary 5 Home Learning

Term 3

Please complete all tasks marked with a  throughout the term.

. Select one other task from each of the remaining boxes. Tick each task as you complete them

Literacy

Spend time reading something each day; a book, magazine, online article (e.g. an article from newsround), pamphlet, advert, etc.

Practise and learn your weekly spelling words.

Lists will be on TEAMS or a copy can be given out to you.

Practise reading Scots poetry. Choose a poem to work on and practise reading it out loud. Add some actions to accompany your poem. Practise performing it.

Maths and Numeracy

Practise and learn times tables.
Make sure you practise dividing with them too!

Work on the problems from the Rigour calendar.

Make different combinations of pairs from these values: £1, 65p, 43p, 22p, and 15p.
What coins could you use to make your totals? Is there more than one way to make your totals?

Health and Wellbeing

As part of Internet Safety Day it is important to stay safe online. Think of reasons why this is important and tips to stay safe online – share these on Teams or bring your work into class.

Learn a new skill for life. You could learn how to tie your shoelaces, help to prepare a simple meal or help tidy your house! Write a diary record of what you have done.

Share any of your achievements or successes with your class, write a few sentences about them.
You could write it in an email to share

Digital Learning

Topmarks.co.uk (Hit the button)
ictgames.com
BBC Guardians of Mathematica for maths and numeracy games to play

Use TEAMS to practise your spelling words – Remember to submit it when you've finished!

Creativity

Make a model or create a picture of a Natural Disaster.

If you require resources or materials for this, please come and ask one of the P5 teachers

As part of Language Week Scotland, choose one country to learn about – present your facts in any way you like!

Skills for life, learning and work

We are learning all about skills for life, learning and work. Find out about a job you might like to have in the future. What does the job involve and what skills would you need to do the job? Make notes and/or create a fact file to show what you have learned.
