

Pupil Equity Funding

2026 – 2027

Overview

Knightsbridge Primary School received £134,750 of pupil equity funding for the year 2026-27 to ensure equity and tackle the poverty related attainment gap.

Our Key Priorities	Our Key Activities
Improved Pupil Attendance	Our school's Attendance Collaborative will work on strategies to engage with parents to improve attendance and late-coming.
Improving our learning and teaching	Staff training around supporting our pupils appropriately. Working in partnership with outside agencies. Targeted support to analyse school data and use effective targeted interventions for identified stages and groups. Targeted literacy and numeracy interventions for identified groups and individuals. Cluster focus on improving numeracy and mathematics.
Promoting the Health and Wellbeing of our pupils	Skills based curriculum interventions to improve pupil participation, engagement and wellbeing. Targeted nurture groups to promote wellbeing, focused on developing key social and emotional skills.
Parental Involvement and engaging and reducing the cost of the school day	Develop positive relationships with our parent forum and consult with them on the needs of our pupils and community. Consult with our whole school community about 'the cost of the school day' and how we can reduce this.
Participatory Budgeting	Our pupils have led our participatory budgeting, consulting with our whole school community to plan a project to provide equity for all learners
